From Advent 2024, we will be using an updated translation of the Bible for our readings at Mass, as approved by Rome and our bishops. These changes are intended to make the biblical translations more faithful to the original languages, to reflect current biblical scholarship and to provide a text for use in a liturgical setting that is more proclaimable and, where appropriate, more inclusive.

The Lectionaries are changed very infrequently but do come at quite a cost! The 4 volumes necessary to cover the whole liturgical year will cost £173.75 each (£695 in total) The Book of the Gospels for use at St John's Cathedral will cost £395. If any person, family, or group would be willing to contribute towards these costs please contact Cathy in the office, one of the clergy or the sacristans. Should you wish to donate to this cause then please mark your envelope clearly with the word 'Lectionary'. People's Missals will be available in the Narthex shop towards the end of the year once they have been printed. Thank you, as always, for your generosity.

This appeal will run for another week, and we thank you for the generosity shown so far. A full account of any monies received will be published in the bulletin.
