Engagement of Our Faith with Science – our Heritage and Learning Director, Dr Richard Maguire, with the help of Professor George Lomonosoff, have been awarded a grant of up to £10,000 to deliver a project over the next year that will build on the expertise of scientists collaborating with different churches and faiths. The aim is to show how engaging with science can lead to a deeper experience of faith. The project for the Cathedral Church of St John the Baptist is entitled *Human Dignity and Moral Decision Making in the Life Sciences*. The areas the project is especially focussed on are abortion, end of life care, gender theory, surrogacy and euthanasia. Please see the Diocesan and Cathedral websites for more details.

Fr Michael Smith – Bishop Peter has asked Fr Michael to accept a position in another parish within the Diocese. We welcome Fr Mark Ashwood as the new assistant priest for our Cathedral. Whilst we are sorry to say farewell to Fr Michael, I am sure we will welcome Fr Mark with our usual generosity. Further details will be announced in due course.
